

Satin Pack

Finally! Make any surface have a Satin or Matte look with using our Satin Packs in BallistiX Black Label. The ideas are endless! From your premium epoxy floor, to your brand new car, BallistiX Sheen Reducers have you covered.

- 1 Satin Pack in a gallon for Satin
- 2 Satin Packs in a gallon for Matte
- Mix the Black Label into the Satin Pack and shake really well before adding it in to get all of it!
- It's best to spray it right onto your surface and let it do it's thing!

That's it!
